DEDICATION

MRS. GRACE RANDOLPH

The devotion and enthusiasm shown by Mrs. Grace Randolph have endeared her to her co-workers and students alike. She has earned the respect of the girls in her gym classes, where she gives inspiration and guidance. As senior sponsor she is appreciated for the spirit and hard work that make the seniors' last year at WFHS memorable. As one means of expressing our gratitude for all she has done, the 1975 Annual Staff dedicates this book to Mrs. Grace Randolph.

Dr. J. Carl Davis

The members of the Board of Education give unselfishly, without pay, time and effort to make the Wichita Falls school system the superior one it is. It is because of their work and vision our school has maintained its high standards of quality education.

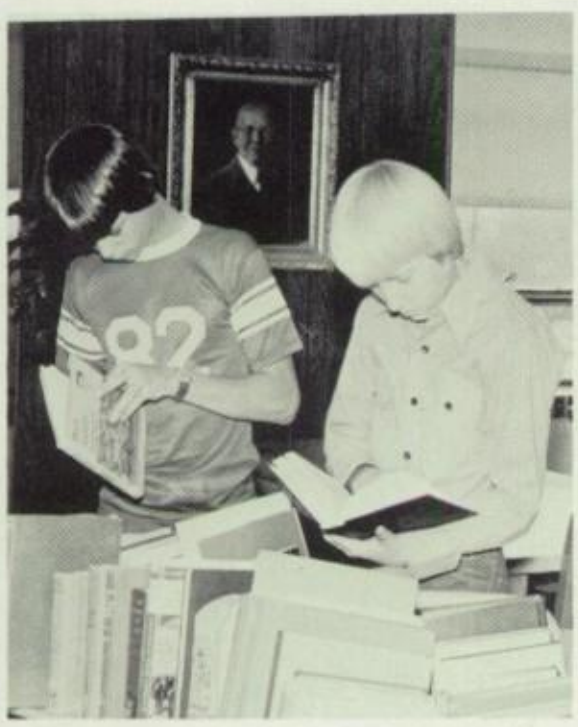
EXPRESSION OF APPRECIATION

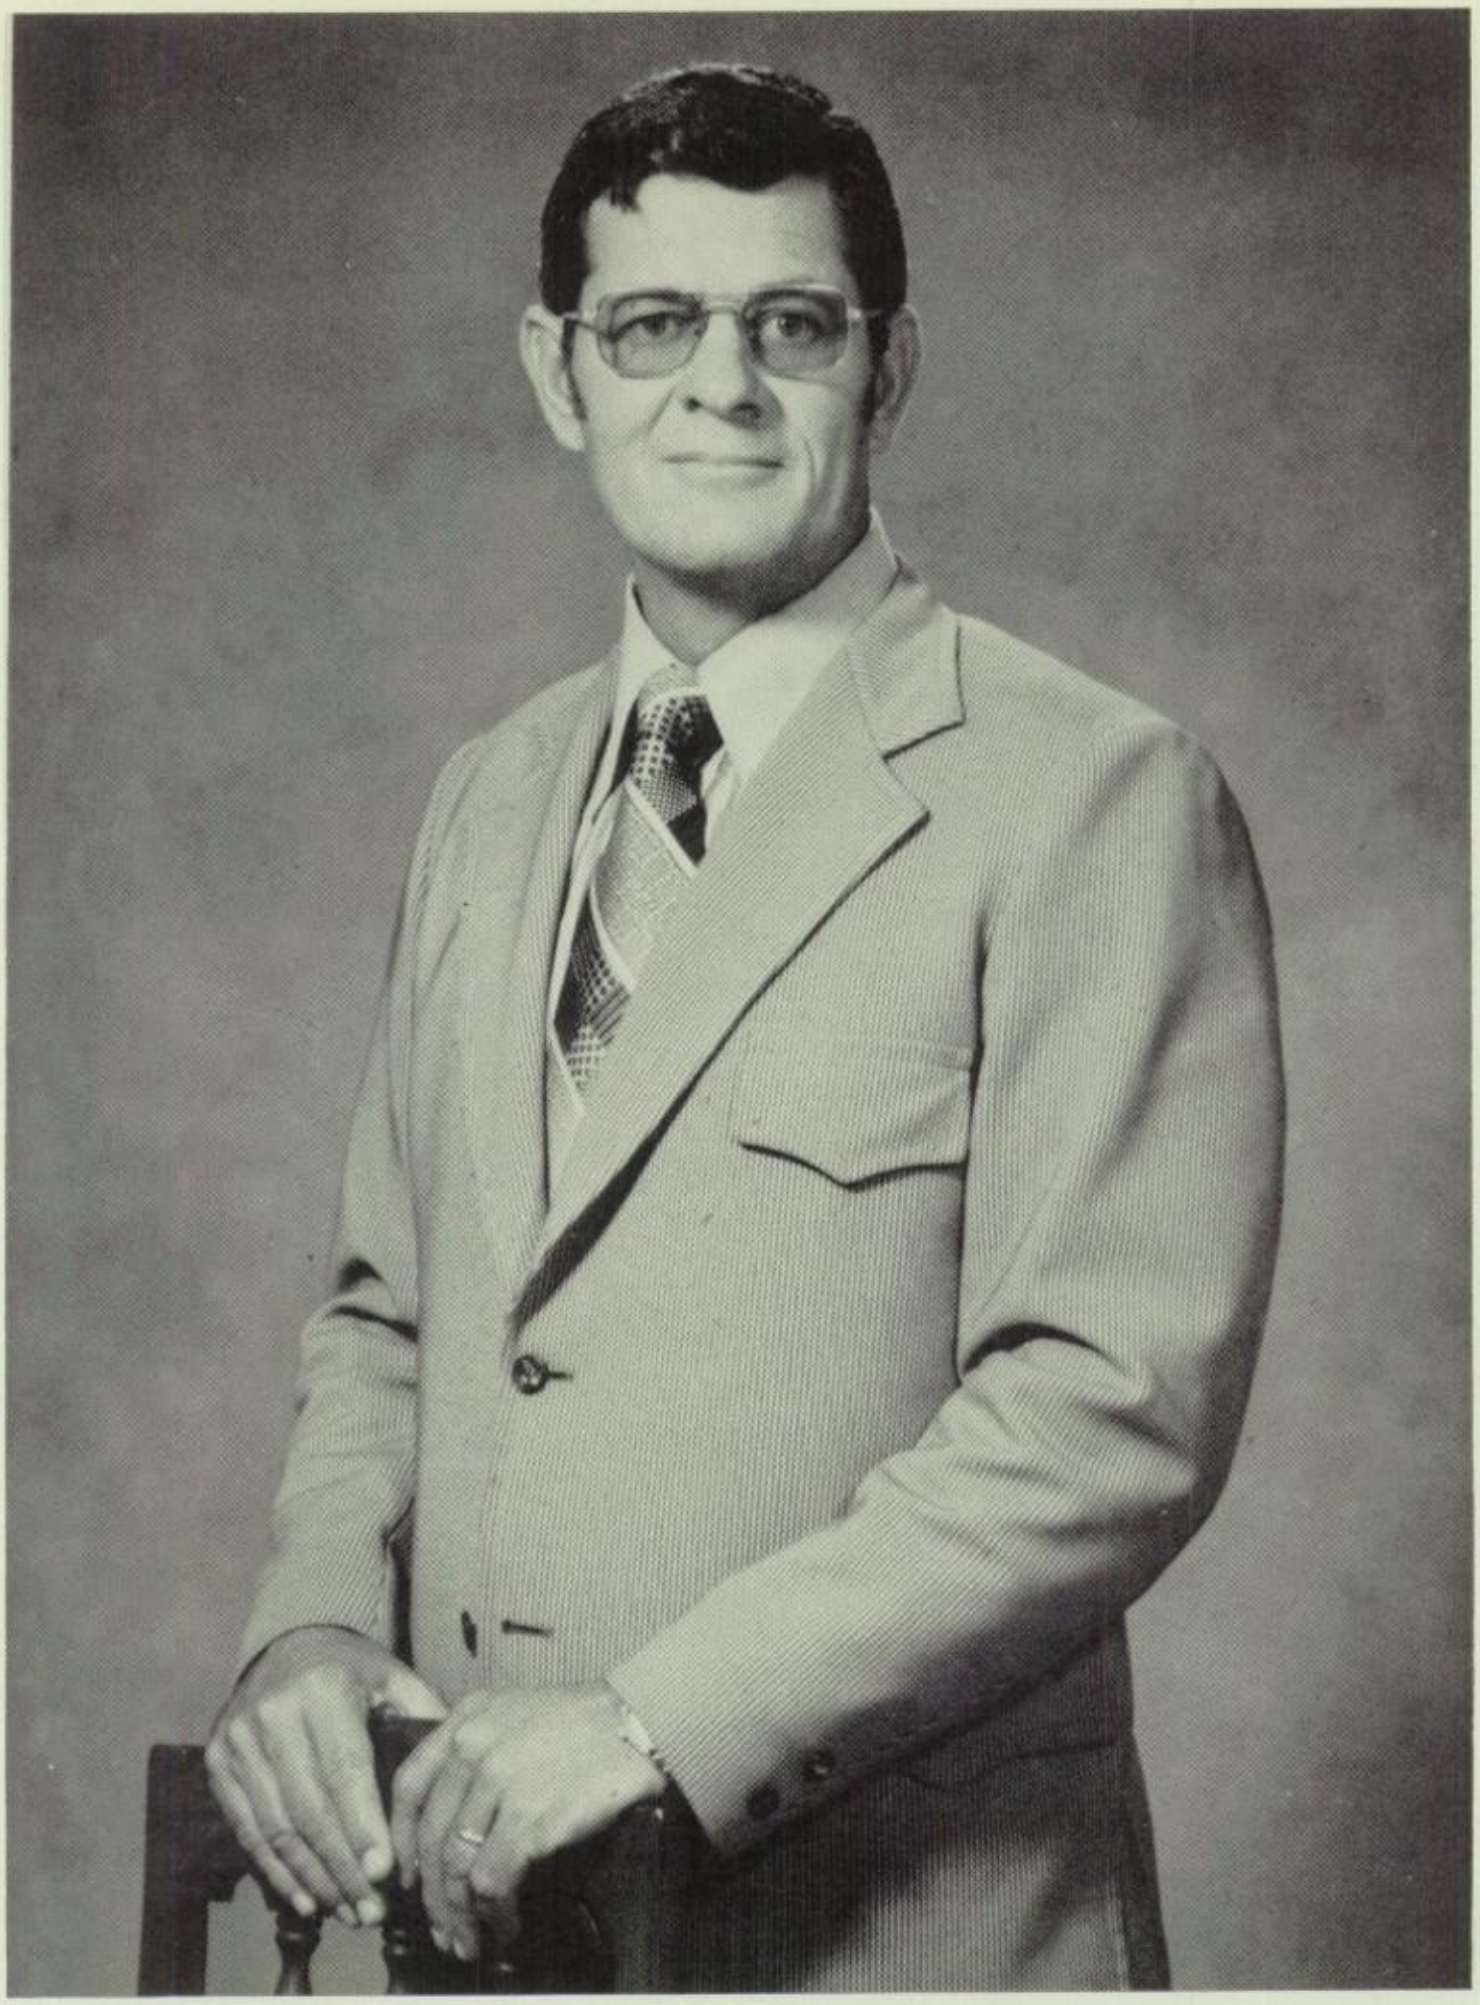
Snider Library was established by Mr. and Mrs. C. W. Snider prior to the opening of classes in this building fifty years ago. At that time the school was a junior college. When the college moved in the fall of 1936, the Sniders chose the high school as the institution to retain the library. Mrs. Snider expressed a desire to provide "good reading material for young people of high school age."

After the initial gift of $14,000, innumerable books and periodicals were donated on a regular basis by the couple. When Mr. Snider died in 1947, his wife continued the benefaction averaging approximately $500 a year. She renewed magazine subscriptions, gave new periodicals and books, and donated the book charging system. The last was a memorial to former librarian Natalie Gorin.

Since Mrs. Snider's death in 1971, Mrs. D. A. Cannan has carried on her parents' philanthropic spirit. Her gifs include an electric typewriter and adding machine to lighten the heavy work load of the librarians, and the air-conditioning system that all the school enjoys.

Both students and faculty appreciate the remarkable long-time generosity of the Snider family, who have helped make the WFHS library one of the finest in North Texas.





If there is one achievement for which the students and staff of this year are to be judged, let it be that we were a unified body; and may the spirit of unity be a part of our philosophy throughout life.

PRINCIPALS

The principals have a special way of uniting the students, sometimes by maintaining discipline and order, but more frequently by exercising leadership and giving inspiration. Principal William Jeter, aided by Assistant Principals Robert Garnett and Burtt Lauck, has provided the guidance to make 1974-1975 one of the best years ever at Wichita Falls High School.

"I was elected Best Dressed Man of the Year??"

Mr. Lauck enjoys being assistant principal — especially since they gave him a telephone.

DEANS

Mrs. Peggy McKenzie, M.Ed.
Dean of Girls

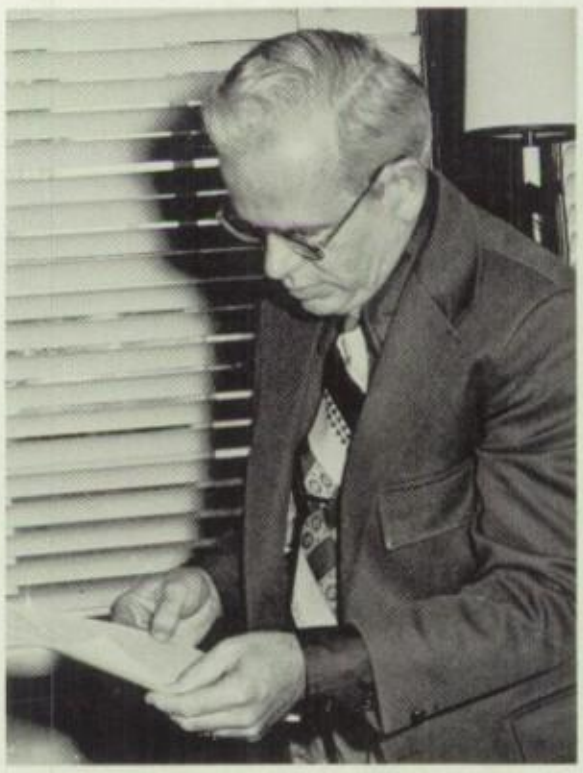
Mrs. Nina J. McNeill, M. Ed.
Dean of Girls

Paul M. Strong, B.A.
Dean of Students

Mrs. McNeill is admired in her work.

"Betsy, I can't help if you got kicked out of every class."

Many students do not realize the long hours, hard work, and determination of the Deans and Counselors. Their sincere concern for students is to be admired. When students think of Deans or Counselors they may think only of schedules and testing. The work of these Administrators goes beyond the tasks of discipline and curriculum, though; their unending jobs include counseling about personal problems, college preparation, and vocational careers. They are also deeply involved in student government, elections, and many extracurricular activities. It is an honor to have these people as part of Wichita Falls High School.



"If only I could read Mr. Jeter's writing."

COYOTE CHEERLEADERS

SCHOOL PRAYER

Dear Lord,
In the game that goes on tonight,
We ask for a chance that is fair,
A chance that is equal, just and right
And the courage to do and to dare.
If we should win, let it be by the code,
With our spirits and courage held high.
But if we should lose, let us
stand by the road
And cheer as the winners go by.
In His name. Amen.

SCHOOL SONG

Hail to our colors,
Hail to our school,
We'll back you forever;
That is our rule, together;
Onward to Victory,
Onward to fame,
In winning or losing,
We'll honor your name.

— Tom McCarty
(early 1940's)

The annual staff is a select group who design, make, and distribute the yearbook. To prepare for the task ahead, six members of the 1975 staff attended a workshop at Midwestern University, where a trophy was won by Allison Banks.

Mrs. J. C. Porter and Emma Lou Proctor have dedicated their time to Coyote yearbooks for several years. Their outstanding leadership has guided staffs through many books, which hold precious memories.

The A Cappella choir, under the superb direction of Mrs. Beth Backus, combined unity and enthusiasm to produce a unique blend of seventy-four voices. Continuing the Coyote tradition of excellence, the members represented W.F.H.S. in many concerts and performances.

The Old High Singers, twenty-one juniors and seniors representing the A Cappella choir, continued a second year of entertainment for Wichita Falls and surrounding communities. This "personality plus" group performed for various luncheons, banquets, and club meetings.

The Girls' Choir is also a select group directed by Mrs. Backus.

1974 Coyote

The 1974 football season was one of frustration for the Coyotes. It seemed that in each game the ball continually bounced the wrong way. However, despite weathering three consecutive ties, the Coyotes ended the season with a very respectable 6-1-3 record.

The season opened with the annual game against the Mustangs of Lubbock Coronado. The Coyote offense looked impressive as they ground out a 26-13 victory. The second and last non-district game was against the Kimball Knights. This game began the series of 7-7 ties, as the Coyotes saw a 7-0 lead disappear in the final seconds of the first half on a freak pass and lateral play.

The district schedule began on a flooded field at Mineral Wells. The Rams and Coyotes slipped and slid to another 7-7 verdict. The second district game brought the Coyotes back to Memorial Stadium against the Haltom Buffaloes. Although the Coyotes completely dominated the game, with the defense turning in another solid performance, they were able to push across only one score; and the game

Vantrease. *Third row:* Coach Bill Page, Ed Krum (mgr.), Jimmy Winstel, Mike Brigham, Shawn Hessing, Jeff Lee, Marvin Stuckey, Klaus Brashear, Lawrence Bowie, Mark Stewart, Dickie Johnson, Greg Callahan (mgr.), Coach Herb Marvel. *Fourth row:* Dan Hughes, Vincent Young, Richard Berns, Ross Patton, Sam Welborn, Tsu Kreidler, Steve Barnes, Bob Gillespie, Mike Page, Steve Mayes.

Football

ended 7-7.

The Coyotes then broke the string of ties as they captured victories over Trinity 10-6, and L. D. Bell 14-0, both at Pennington Field. They then came home to stay, and scored impressive victories over the bigger Richland Rebels 21-0, and the out-manned Lions of Castleberry 26-6. The Coyotes then had an open week to prepare for their city rivals. Against Hirschi, the Coyote offense came to life as they romped over the Huskies 35-14. The final game of the season matched WFHS against arch rival Rider; and the Coyotes bowed out to a talented Raider team 27-0.

Although the Coyotes came away empty-handed this year, it was by no means an unsuccessful season. Very few 4-A teams in Texas could boast a record with only one defeat, and the 1974 Coyotes carried on the tradition of fine football teams at WFHS.

Sam Albright — VOICE OF THE COYOTES!

This year's Coyotes entered the season with little varsity experience. Although they were a small team, they were a band of gifted shooters. After winning the first 6 out of 8 games, the Pack adopted the motto, "You ain't seen nothing yet!" The "ball hawking" defense and the "fast breaking" offense placed the Coyotes as a possible district contender. Unfortunately, they lost a few close games midway through the season, but still kept that fighting spirit. They looked promising in both Midwestern and Lubbock Caprock tournaments, placing well in the standings.

The Coyotes lost their first two district games by a couple of points, then rebounded strongly to upset Rider on the Raiders' home floor. This victory put the Coyotes back in the middle of district competition, but their hopes were cut short: they lost a tough game to Mineral Wells, thus being eliminated from a district title.

It was Steve Middleton's second year as head coach. Although 1975 was considered a rebuilding year, his troops posted a fine record of 13-16, just a little below the .500 mark.

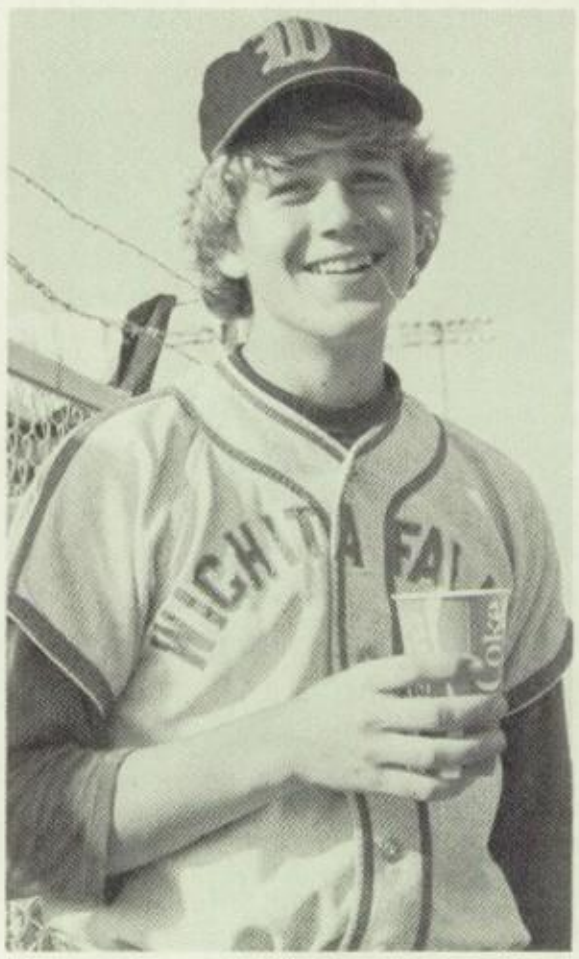
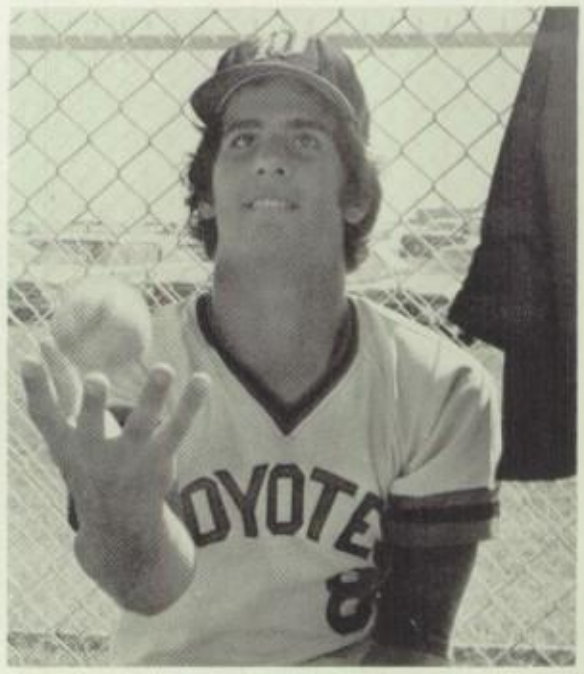
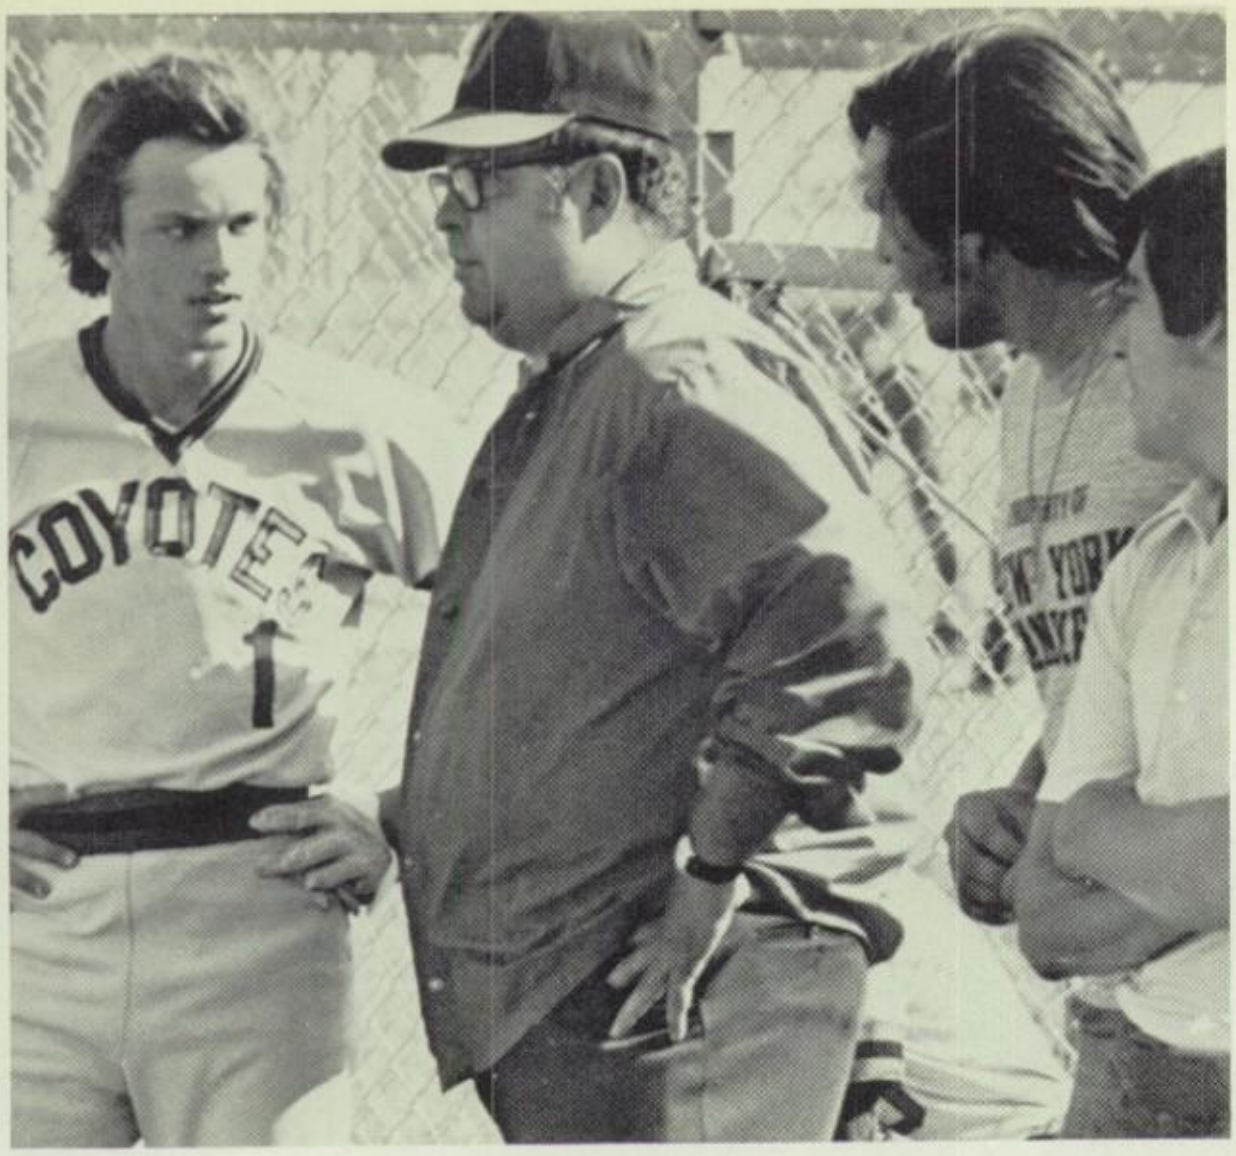
Down on your knees, praise the Coyotes!



I'm the real thing!



Gary shows all-district form.



"Coach, we're down 46-0; what now?"

Bill Marion, a chip off the ole bat.

Cheerleaders surely have changed.

"Eh-eh-eh-swing!"

Get that fly!

"No autographs, please!"

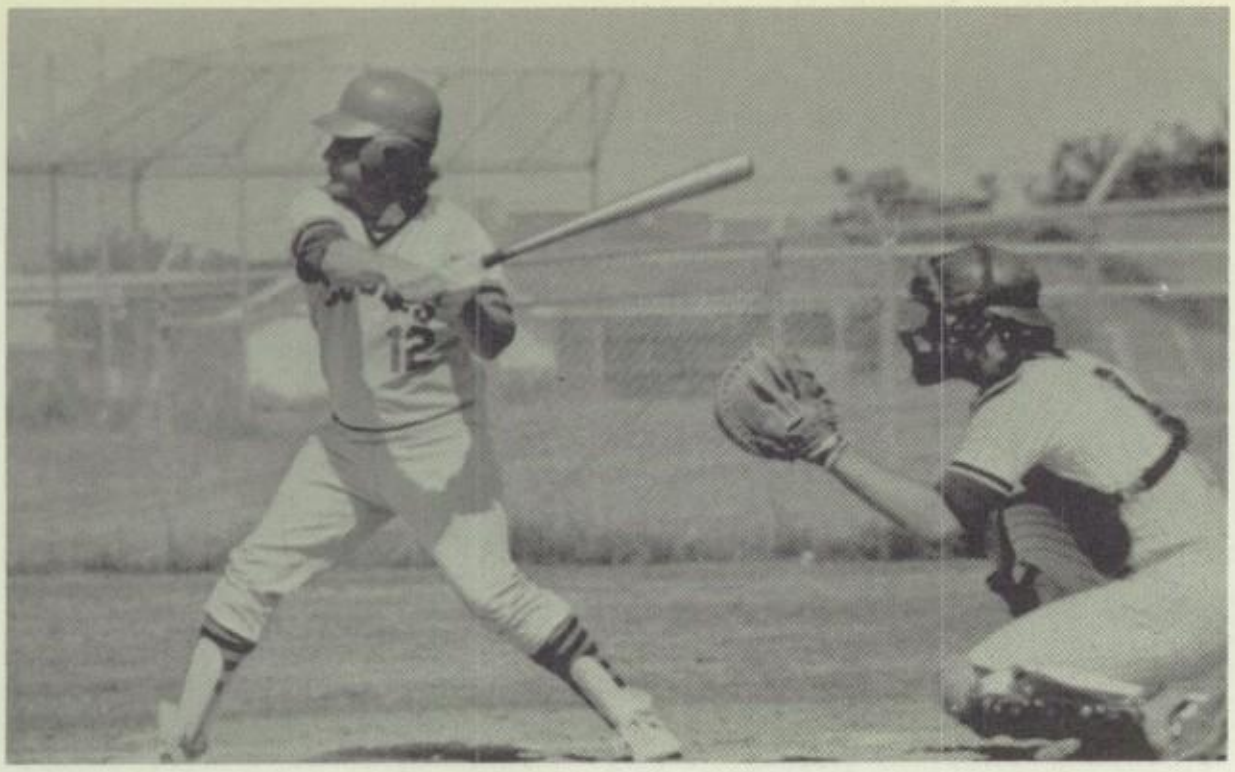
Jerry gets down.

"No kidding, no one brought a ball."



Fran pounds out the hits for the Pack.

"We are the Coyotes; couldn't be prouder." Fans and patrons of Wichita Falls High School during the 1974 baseball season had a right to be proud. With their powerful batting, excellent pitching, fantastic fielding, and good team spirit, the Coyotes advanced to regional playoffs. Each player put forth his best effort; and with the assistance of coaches Ed Marion and Jack Vantrese, the Pack defeated each opponent until it was stopped by R. L. Turner in regional playoffs.

A great victory for the Coyotes.

"I'd like to play, Mr. Marion."
